

# Our Lady's Grove Primary School

## Critical Incident Plan

Our Lady's Grove aims to protect the well-being of the children and staff by providing a safe and nurturing environment at all times.

### **Mission Statement**

Our Lady's Grove Primary School is a Roman Catholic, co-educational community in keeping with the educational philosophy of St. Claudine Thévenet. We strive to create a loving, caring and nurturing environment conducive to the attainment of the true educational, spiritual and moral potential of each individual, thereby enabling our children to participate as responsible individuals within their immediate communities at present and ultimately within society as a whole.

The Board of Management, through the 'Critical Incident' committee, which included the principal, a board member and three parents has drawn up a Critical Incident Management Plan as one element of the school's policies and plans.

### **Review and Research**

The committee consulted resource documents available to schools on [www.education.ie](http://www.education.ie) and [www.nosp.ie](http://www.nosp.ie) including:

- Responding to Critical Incidents Guidelines and Resources for Schools (NEPS 2016)
- Suicide Prevention in Schools: Best Practice Guidelines (IAS, National Suicide Review Group (2002)
- Suicide Prevention in the Community - A Practical Guide (HSE 2011)
- Well-Being in Post-Primary Schools Guidelines for Mental Health Promotion and Suicide Prevention (DES, DOH, HSE 2013)
- Well-Being in Primary Schools - Guidelines for Mental Health Promotion (DES, DOH, HSE 2015)

### **What is a Critical Incident?**

The committee recognises a critical incident to be "an incident or sequence of events that overwhelms the normal coping mechanism of the school". Critical incidents may involve one or more children or staff members, or members of our local community. Types of incidents might include:

- *The death of a member of the school community through accident, violence, suicide or suspected suicide or other unexpected death*
- *An intrusion into the school*

- *An accident involving members of the school community*
- *An accident/tragedy in the wider community*
- *Serious damage to the school building through fire, flood, vandalism, etc*
- *The disappearance of a member of the school community*

## **Aim**

The aim of the Critical Incident Management Plan is to help school management and staff to react quickly and effectively in the event of an incident, to enable us to maintain a sense of control and to ensure that appropriate support is offered to children and staff. Having a good plan should also help ensure that the effects on the children and staff will be limited. It should enable us to effect a return to normality as soon as possible.

## **Creation of a Coping Supportive and Caring Ethos in the School**

The leadership team and teachers have put systems in place to help to build resilience in both staff and children, thus preparing all of us to cope with a range of life events. These include measures to address both the physical and psychological safety of the school community.

### **Physical Safety**

- Evacuation plan formulated
- Regular fire drills occur
- Fire exits and extinguishers are regularly checked
- Pre-opening supervision in the Halla
- Gate at the top of the ramp is locked during school hours
- School doors locked during the school day
- Rules of the playground are clear to all

### **Psychological Safety**

The management and staff of Our Lady's Grove aim to use available programmes and resources to address the personal and social development of the children to enhance a sense of safety and security in the school and to provide opportunities for reflection and discussion.

- Social, Personal and Health Education (SPHE) is integrated into the culture of the school. Through the curriculum issues such as grief and loss, communication skills, stress and anger management, resilience, conflict management, problem solving, help-seeking, bullying, decision making and prevention of alcohol and drug misuse are addressed. Promotion of mental health is an integral part of this provision
- Staff have access to training for their role in teaching the SPHE curriculum

- Books and resources on difficulties affecting the children are available
- Information is provided on mental health in general and such specific areas as signs and symptoms of depression and anxiety

- The school has developed links with external agencies such as NEPS, HSE and Barnardos
- Inputs to students by external providers are carefully considered in the light of criteria about student safety, the appropriateness of the content, and the expertise of the providers. See DES Circulars 0022/2010 (Primary)
- Our Lady's Grove has a robust anti-bullying policy
- The "Continuum of Support" as outlined in the NEPS documents, published in 2007 is the approach used by our school. These documents are available on [www.education.ie](http://www.education.ie)
- Children identified as being at risk are referred to a designated learning support teacher, concerns are explored and the appropriate level of assistance and support is provided. Parents are informed, and where appropriate, a referral is made to an appropriate agency.
- Staff are informed about how to access support for themselves
