OLG Parent Association

April 2018

Dear Parents/ Guardians,

The Parent Association is compiling a parent/guardian contact list which will be distributed to parents in the two Junior Infant classes. A contact list such as this is up and running in this year's Junior Infant, Senior Infant & First classes and has proved very beneficial to parents. Its purpose is to facilitate parents who wish to get to know each other, arrange play-dates and/or arrange joint birthday parties and extend birthday invitations.

This is being done on an **"Opt- In"** basis. If you are happy to have your contact details shared with other families in the class, please provide your details as per below instructions in order to comply with Data Protection regulations.

Once we have collected the forms we will distribute a class specific contact list in September 2018 containing the details of those who have given permission. Your details will only be shared with parents/guardians of children who are in your child's class. If you wish to be included in this list please copy the text below into an email and email to olgpamain@gmail.com

Kind regards,

The Parent Association
