

16<sup>th</sup> May 2018

Dear Parents/Guardians,

Thank you to everyone who completed the recent survey regarding the school tracksuit. Your feedback and comments are very valuable and help us get a realistic and balanced view of your experience with the new tracksuit. Overall people are happy with the durability and pricing of the tracksuit. The fit and style is an issue. We are working with the supplier to resolve this issue. The supplier is currently making up some samples of a slimmer fit. If this is successful, a slimmer fit will be available in August 2018.

#### **For Your Information**

- Tracksuits may be purchased through the PA at any time
- If you wish to purchase a tracksuit, please pay by EPP and contact Jackie Clarke [jackie@clarke.ie](mailto:jackie@clarke.ie) for your size
- Our supplier will be in the school on Monday, 27<sup>th</sup> August
- Cotton lining is available but must to be ordered in advance. The recommendation from our supplier is that mesh lining is a better choice for breathability.

For any additional queries, please send an email to [olgmain@gmail.com](mailto:olgmain@gmail.com) and enter **Uniform Query** into subject box.

Regards,

Uniform Committee
