

OLG Parent Association Sports Activities 2019

4th September 2019

Dear Parents/Guardians,

Over the next week we will be sending out Invite Letters for all the Sports that begin in September. The Tennis and Outdoor Soccer letters have already been sent. You should receive all letters through Whatsapp but they can also be viewed on the website from the date of Expression of Interest under the Parent Association Tab.

When the Invite Letter has been sent out the process is -

- 1) Expressions of interest for that activity should be emailed to the PA sports email address olgpasport@gmail.com
- 2) Each activity allows **48 hours** to register an expression of interest.
- 3) After this time the places for each activity will be allocated. If you apply after the 48hours and there is a waiting list for that activity your childs name will immediately go on the waiting list.
- 4) In the case where an activity is oversubscribed the places will be allocated by random lottery.
- 5) Places will be confirmed via email by the activity co-ordinators.
- 6) **A separate email must be sent for each activity .**

The letters will contain more specific details of the term dates, class times for the different class groups and the cost for each activity.

PA Activity (Class Groups)	Registration Dates for Expression of Interest	Start Date for activity	Email for registration
Tennis (Senior Infants,1 st and 2 nd)	Already Sent	Sept 10 th	olgpasport@gmail.com
