## Enrolment Policy 2020-21

### Introductory Statement

This policy was written by the Board of Management of Our Lady's Grove Primary School in consultation with teachers and parents. This policy is set out in accordance with the provision in the Education Act 1998, the Education Welfare Act 2000, the Equal Status Act 2000 and the Disabilities Bill 2005. No child is refused admission for reasons of ethnicity, special educational needs, disability, language/accents, gender, traveller status, asylum seeker/refugee status, religious/political beliefs and values, family or social circumstances. The enrolment policy of Our Lady's Grove Primary School is, subject to the requirements imposed by law, the responsibility of the Board of Management under the general supervision of the Congregation of Jesus and Mary (The Trustees).

### Mission Statement

We strive to create a loving, caring and nurturing environment conducive to the attainment of the true educational, spiritual and moral potential of each individual, thereby enabling our children to participate as responsible individuals within their immediate communities at present and ultimately within society as a whole.

### School Ethos

Our Lady's Grove Primary School is a Roman Catholic primary school under the patronage of the Archbishop of Dublin and under the trusteeship of the Sisters of Jesus and Mary, in keeping with the educational philosophy of St. Claudine Thévenet. We are committed to an education that fosters personal growth, self-worth and openness to the spiritual dimension of life for all its children. The Board of Management reserves its right to promote and uphold a Catholic ethos under Section 7(3) of the Equal Status Act, while also recognising, respecting and welcoming the diversity of values, beliefs, traditions and ways of life in our society. The development of the curriculum for Religious Education remains the responsibility of the church authorities.

## **Aims of Enrolment Policy**

To provide information and clarification for parents who apply to have their children enrolled in Our Lady's Grove Primary School from Junior Infants to Sixth Class. Our Lady's Grove Primary School Enrolment Policy will be reviewed annually.

## **Exceptional Circumstances**

In very exceptional circumstances, The Board of Management reserves the right to make a decision in respect of an application for admission to Our Lady's Grove Primary School. This will be done in consultation with the Principal.

The Board of Management reserves the right to refuse admission in the event that:

- Parents refuse to allow a child to remain in the classroom during a particular class lesson - as distinct from being taught the particular lesson. This requirement is for safety reasons and to ensure that there is adequate supervision of pupils at all times
- In the event that your child is offered a place and it is found that the information given is incorrect
- For some exceptional reason the Board of Management believes that a child should not be enrolled

Should any special family circumstances be attached to an application, these will be considered by the Board of Management. The final decision in relation to enrolment rests with the Board of Management.

## **Appeals Process**

Parents/Guardians, under the Education Act 1998 (section 29), have the right to appeal decisions by the Board of Management in relation to enrolment or exclusion, to the Secretary General of the Department of Education & Skills on the official form provided by the Department.
