

27th March 2020

Dear Parents,

Please see below a suggested outline of home learning activities for Week 3 (30th March – 3rd April).

Children can choose one activity of their choice from each colour per day or they can follow the activities in order like a daily timetable (Mon, Tues, Wed, etc.) if they prefer to do so.

During this time, we understand that your home environment may vary from day to day, so please use our outline as you see fit. We hope it will be of some assistance to you!

To the children of Room 5 & 6,

We miss you and hope you are all staying safe.

Remember to use this time to stay curious, be creative, learn some new skills and most importantly, spend lots of quality time with your family. We look forward to seeing you all again at school!

Best wishes,

Ms O'Sullivan & Ms Hickey
