

27/03/2020

Dear Parents,

We have put together a timetable of activities for your child. During these challenging times we realise how difficult it must be for the children. I'm sure they are missing their friends and the routine of school life.

We are very aware that not all children have access to computers/laptops/iPads, so as much as possible we have tried to present work for the children that they can do independently.

These activities are suggestions – see what they can get done. Some will be happy to do it all and some may only want to do some of it. Encourage the children to express an interest in what they would like to learn.

Let them know their teachers are missing them and to try their best. Most importantly, get them to keep active, help around the house, do some reading and have fun.

Keep well.

Ms. Broder and Ms. Daly

Monday/Dé Luain – 30th March

<p>Maths</p> 	<p>Number of the day: 88 (Template on website)</p> <p>3D Shapes I can name and describe a cube, cuboid, sphere, cylinder and cone.</p> <ul style="list-style-type: none"> ○ Using template from the website - do a 3d Hunt around your house. ○ Which shapes can roll, stack or slide? <p>- Song: These Are the 3D Shapes – https://www.youtube.com/watch?v=2cg-Uc556-Q</p> <p>IXL</p> <ul style="list-style-type: none"> - S1 – S8
