

Suggested work for 3rd Class: 30th March – 3rd April

Dear Parents,

Please see below a suggested outline of home learning activities for the week of 30 March to 3 April. During this time, we understand that your home environment may vary from day to day, so please use our outline as you see fit. We hope it will be of some assistance to you!

Dear children, we miss you all and hope you are all staying well. Remember to use this time to stay curious, be creative, learn some new skills and most importantly, spend lots of quality time with your family. We look forward to seeing you all again at school!

Best wishes, Ms Rapple, Ms Cavanagh and Ms Leacy.
