

GARDA PRIMARY SCHOOLS PROGRAMME

Keeping Children Safe

Your child has been given safety advice at school in relation to Halloween, please see tips below on how you can play your part in ensuring your child's safety this Halloween.

Keep your children a safe distance from bonfires and fireworks.

Accompany your children when "Trick or Treating" or at events.

If your child dresses up in dark clothes, add reflective material so they can be seen by motorists and cyclists.

Make sure costumes are fire resistant.

Ensure your children do not buy, use, or ignite fireworks.
